RE	Re Appln No. 09/673559 - \$255 check for extension of time to respond to Examiner

COVER MESSAGE

Dear Ms Cofer

You stated by phone last week that the file for the subject application contains no record of the USPTO having deposited our check for \$255, which we sent to the USPTO by USPS certified mail on 15 June 2002.

Therefore, as discussed with you last week, I am sending this fax to provide the USPTO with copies of both sides of the check - showing that the USPTO did deposit the check, which cleared on 5 July 2002.

Additionally, we have the "Domestic Return Receipt" from the certified mailing, bearing the stamp of the USPTO for 24 June 2002. (Please note that we have previously provided a copy of the domestic return receipt to the Petitions Department of the USPTO - as "Enclosure/Attachment 3 (i) of our letter to the Petitions Department dated 24 October 2002.; and therefore I am not including a further copy in the current transmission.

On 1 July 2002 you left me a voice message concerning the \$255 check. On 2 July 2002, I returned your call, and you then:

- 1) informed me that you had in your hands the \$255 check together with our response to the Examiner dated 12 June 2002.
- 2) positively identified for me the response to the Examiner by means of its date of 12 June 2002, and by its multiple tab dividers, and by its approximate thickness of 1/3 inch.

3) stated that because we had responded to the Examiner within 2 months of the due date, the late fee would be only \$200, and that accordingly you would be refunding \$55 to us.

4) that you would next forward the "response to the Examiner" (dated 12 June 2002) to the Examiner.

Would you, therefore, please respond providing USPTO records concerning the foregoing and what happened next to
(i) the \$255 check,
(ii) the refund for our having responded within 2 months of the due date, and
(iii) "our response to the Examiner"
a.s.a.p., please?
